## OBITUARY

DANIEL MAY

Daniel May entered into rest Apr. 15, 1909.

The subject of this sketch was born in Basil, Fairfield, Co., O., Jan. 14, 1838.

Was married to Miss Martha Cohagen, Feb. 5, 1863. Came to Missouri in the fall of 1867 and settled on the place where he has since resided. He was converted and joined the Evangelical church early in life and remained a true and devoted Christian until called to his reward.

To this happy union were born seven children, four sons and three daughters, Elmer E. who resides at Savannah, Mo., Whiting W., Milton U. of Seward, Kan., Mrs. Emma White and Leata and John who are at home. One daughter Mamie who preceded him about fifteen years ago. All the children were present. "Uncle Dan" as he was familiarly known was only sick five days with pneumonia. All was done which loving hands could do, but he was ready to go and the dear Lord said come. A good man from us has gone. Ever ready to help in what ever he could. If nothing more than speaking a kind, cheerful word.

He will be sadly missed in the community, but more so by his family and especially the dear wife and mother. The funeral services were conducted at the residence at three o'clock Saturday afternoon by Eld. W. J. Hardesty. After which the remains were laid to rest in the Middletown cemetery followed by a large concourse of sorrowing friends and relatives. May the Lord who doeth all things well comfort the bereaved ones and help them to so live that they may meet him on the other shore.

WM. IVEN IVES

Willie Iven Ives was born in Cherokee Strip, Oklahoma, Jan. 28, 1894. Died at his home four miles south-west of Middletown on Apr. 14, 1909 at 7:46 o'clock. Age fifteen years, two months and sixteen days. Willie's death was caused by being shot on Easter Sunday about four o'clock. Willie and his brother Joe were shooting at a target and in some way the gun went off. Willie was ready to go. The last words he said were, "I want to go home."

He leaves a father and mother, four sisters and four brothers and a host of relatives and friends to mourn his death. After funeral services by Bro. Hadley his body was laid to rest in the Middletown cemetery.

We miss him from our home. We miss him from our place. A shadow over our life is cast. We miss the sunshine of his face. We miss his kind and willing hand. Thy fond and earnest care. Our home is dark without him. We miss him everywhere.

A FRIEND.

H. E. SCANLAND

H. E. Scanland, an old and highly respected citizen of Mineola died at his home last Thursday night Apr. 15, 1909. Age seventy-six years. Although Mr. Scanland had been ailing for some time, his immediate relatives did not think the end so near until a few hours before he passed away. He leaves four daughters, Mrs. Cora Darnell of Washington, Mrs. Minnie Collins of Oregon, Misses Nellie and Grace, who are teaching in Mexico and one son, Edgar of Mineola and a devoted wife besides many relatives and a host of friends, who will greatly miss him. The funeral services were held at the Presbyterian church in Montgomery City Sunday at 11 o'clock, Rev. House of Wellsville officiating. Interment in the city cemetery.

REV. R. S. DUNCAN.

Elder Robert S. Duncan, second son of Elder Lewis and Harriet Duncan, was born near Troy, in Lincoln county, Mo., April 27, 1832, and died at his residence in Montgomery City, Mo., after an illness

of three weeks' duration of pneumonia, on the morning of April 21, 1909, aged 76 years, 11 months and 24 days.

He was of a family of eleven children, eight sons and three daughters. Two brothers and two sisters preceded him to the land beyond. One sister, Mrs. M. E. Motley, of Bowling Green, Mo., and five brothers—J. L. of near Olney, B. M. of near Gamma, Geo. W. of Middletown, Richard of California and David of Lincoln county, Mo.—survive him.

On the 18th of October, 1853, Eld. Duncan was married to Miss Sarah J. Ervin, with whom he lived happily for more than 55 years, sharing with her the burdens and sorrows and joys of this life until he closed his eyes in his last sleep. To this union eight children were born, four sons and four daughters, six of whom preceded him to the "Home over there." One son, Carey P. Duncan, and one daughter, Mrs. C. G. Copeland, also three grand-children—Mrs. Sam Jennings, Leslie D. and Raymon Reid—and two great-grand-children, survive him.

In the year 1851 Bro. Duncan professed religion and was baptized into the fellowship of Zion church, Montgomery county, Mo., and in the year 1854 was licensed to preach. In August, 1855, he was ordained to the Gospel ministry by Bethlehem church, in Lincoln county, the ordaining council consisting of Elders Lewis Duncan, Walter McQuie and W. D. Grant.

His services were at once in demand for pastoral work. In this capacity he has occupied the pulpits of the following churches: Bethlehem, Pleasant Grove and Sulphur Lick in Lincoln county; Union in Warren county; Loutre, Mt. Pleasant, Zion, Wellsville, Middletown, Hopewell, Montgomery City, New Florence, New Hope in Montgomery county; Mt. Zion, Martinsburg, West Cuivre in Audrain county; and New Hartford and Indian Creek in Pike county.

In the summer of 1889 Eld. Duncan was chosen district secretary for Missouri of the Foreign Baptist Convention, and for 20 years served in that capacity. Much credit is due him for the increasing interest in Baptist foreign missions and in systematizing that work in Missouri.

Elder Duncan was also an author of considerable note. He collected the material and wrote a history of Missouri Baptists, acknowledged by historians to be the best history we have of Missouri Baptists. He produced also a work on the history of Baptist Sunday schools, a volume of considerable merit and one that met with complimentary favor in Sunday school circles. In addition to these, he wrote a number of able articles for our denominational periodicals. In the year 1879 he wrote a number of articles for the "Tennessee Baptist," which were highly complimented by the editor, Dr. J. R. Graves.

Bro. Duncan served for 30 years as the efficient moderator of the Bear Creek Association. The studies, writings, sermons and secretarial work of Eld. Duncan, and his steady advance in the acquisition and utilization of his profound knowledge gave him a deserved place among men of rank.

In all this time and work, he had to bear his full share of afflictions and trials, but these always failed to extort from him a word of complaint. On the other hand, they served to develop and refine a higher spiritual life, clearly observed by all who knew him.

Our dear Bro. Duncan's life work is ended. He has crossed the cold waters of Jordan and entered "that home not made with hands, eternal in the Heavens." "Welcome, good and faithful servant, enter thou into the joy of thy Lord."

He is survived by his aged companion, who has the sympathy and prayer of her many friends.

Rev. R. E. McQuie, who had been intimately associated with Bro. Duncan for many years, conducted the funeral service, and gave a short sketch of his life and labors. The funeral was held from the Baptist church in Montgomery yesterday at 2 p. m. The pastor, Rev. J. W. Keltner, preached a short funeral sermon, and the other pastors of the city took part in the service. The remains were interred in the city cemetery.

## BURGLARS WORKING OVERTIME

Several Stores Entered and Goods and Money to the Amount of \$75 or \$100 Stolen.

On Monday night of this week some one robbed the Millinery store of Miss Emma Turner, Ulbright's Harness store, Frank Sabourin's store and Henry Broeders soda pop factory. The burglars gained entrance to Miss Turner's store through a rear window, their purpose there seemed to be for money as nothing was molested but the combination on the vault. From there they went to Ulbright's store and gained entrance by cutting the screen and raising a window at the rear. Here they broke the money drawer open, obtaining between two and three dollars. They next visited Sabourin's, gaining entrance by breaking the transom over the back door. Here they stole a number of guns, pocket knives and razors also tearing the money drawer to pieces, from which they took five or six dollars. From there they went to Broeders. About all that was missed there was some soda pop. Although they destroyed a barrel of syrup by knocking the faucet from the barrel, letting the syrup run over the floor.

No clue has been found that is strong enough to warrant an arrest although it is firmly believed the robberies were the acts of home talent. Sheriff Earnest sent for blood hounds, but owing to the rain on Monday night the dogs could trail no farther than into the back doors. The dogs arrived from Perry at 4 o'clock. Two-day afternoon and were put to work at once.

### Great Saving to City.

The Montgomery Ice and Electric Co. commenced pumping water for the city on Apr. 8 and up to date have pumped about 100,000 gallons. The amount required this month is estimated at 200,000 gallons, which at 8 cents per thousand will cost the city only \$16. This is a great saving to the city. Perhaps costing about one-half what it cost the city to do its own pumping formerly.

We are ready to begin delivering ice for the season, 1909, either natural or artificial, in any quantity. Phone 48.

Also from Peters Bros. of Callaway County 10 head of butcher cattle at \$5.00 per cwt.

### Better Protection Badly Needed

The burglary of a number of the stores in the city Monday night is right in line with what has been predicted by a number of people, who, knew the conditions that existed in the city as to police protection and lighting. We presume that it was through motives of rigid economy that the city administration dispensed with the services of an assistant town Marshall some time ago and thereby put it up to Marshall Shackelford to do police duty both night and day. Probably from the same mistaken idea of economy the street lights are ordered turned off at midnight. Such conditions are an open invitation to thieves and toughs to get busy after 12 o'clock each night.

Economizing in the administration of the city affairs, to a reasonable extent is commendable but to leave the city without light after midnight and fail to provide sufficient police protection, night and day, we think is unwise economy, to say the least.

We believe the tax payers will endorse the action of the Council if they order the street lights run all night and provide larger lights for the business portion of the city and take such action as may be necessary to employ an assistant town Marshall.

Mr. Shackelford is doing all that he can reasonably be expected to do to protect property, but it is unreasonable to expect one officer to do duty twenty-four hours a day.

Chris McHoney and daughter, of Wellsville, were in this city Thursday.

The circuit court will meet at Danville next Monday for the April term.

Mrs. Z. T. Loe of New Florence is visiting at home of Mr. and Mrs. J. E. O'Donnell.

Miss Annie McHoney, of New York, is visiting relatives and friends at Wellsville.

The next regular term of the circuit court in this county will convene Monday, May 2nd.

Don't forget the union missionary tea at the home of Mrs. L. C. Gove this (Friday) afternoon.

The 9-ft.-bed-sheet law, amended so as to require sheets 8-ft. and 3-in. long was passed by legislature this week.

Miss Dollie Stewart has returned to her home in Callaway county after a pleasant visit at the home Chas. E. Gill and family.

The dinner and supper given by the ladies of the Methodist church last Monday were largely patronized. \$50 net was realized.
